# WELCOME TO HOCHFILZEN 2017

In 1958 the 1<sup>st</sup> Biathlon World Championship ever took place and was held in Austria. Now, 59 years later, the Austria Ski Federation is pleased to welcome the best racers of the biathlon world at the IBU Biathlon World Championships 2017, for the 6<sup>th</sup> time in Austria and the 3<sup>rd</sup> time in Hochfilzen, our traditional IBU World Cup location. During the last two years the biathlon stadium Hochfilzen was reconstructed and enlarged in a joint venture of the Ministry of Defence, Federal Sport Support, the County of Tyrol and our Federation into a highly modern facility, which from these World Championships on is available for the sport with all its installations for training and competitions and which offers excellent conditions for all racers – a new landmark for the sport of biathlon. It is pleasure and honour for the Austrian Ski Federation and its organizing committee to invite the member federations of IBU to take part in the IBU Biathlon World Championships 2017 in Hochfilzen/Tirol and to send their best racers. Our LOC has done its best to make the best conditions available for the best racers of biathlon. Additionally the well-known Austrian hospitality and many spectators will certainly create an inspiring atmosphere. We look forward to welcome the International Biathlon Union, all racers, officials, partners and sponsors, guests and friends of biathlon at the IBU Biathlon World Championships 2017. A hearty welcome to Hochfilzen and Tyrol!

Prof. Peter Schröcksnadel

President of the Austrian Ski Federation
